

# Global Certification Bureau

Corrective Action Form QMS-P08-F01

Department/process: Waehouse / Storage yard	
Audit Date: 2025-12-16	NCR No.: 1
Auditor Name: Dr. Samir Sherif	
Clause No.: 8.3	Audit Criteria: ISO 17021
Finding Description: During inspection of finished product packaging, certification body logos (BV & SGS) were observed printed on product bags.	
Evidence: certification body logos (BV & SGS) were observed printed on product bags	
Criteria from ISO Standard: certification body shall have rules governing the use of its certification marks, including conditions to prevent misleading use, especially implying product or service certification when only a management system is certified. requiemnts in GCB use of logo policy (QMS-PL03 ) require to not use the logo in final products or services.
